Supershine Laundry Systems, a pioneer in laundry and dry cleaning industry in India, was started by Suresh Goyal, a textile engineer, with vast experience in international hotel laundries. Supershine has been successfully operating in association with global leaders like Milnor, ADC, Jensen, Forenta, Italclean, Image & Pony in India and neighboring countries. Later, Supershine diversified into providing quality indigenous Laundry equipment. Today Supershine offers total solution to Laundry needs of the market, i.e. Project Planning, Provision of Imported / Indian equipment, Installation and Commissioning, operational training and maintenance etc..

WE AT SUPERSHINE

.....have been in laundry business since 1990. Through out these years, successfully, we have applied highly specialized management, engineering and related skills to improve the operational efficiency and profitability of our esteemed clients in over 1500 assignments in Star Hotels, Leading hospitals, Garment Manufacturers and Defence & Paramilitary units. Our constant endeavor has been to improve our Quality, after Sales Service and Energy Saving Techniques, so as to, reduce the OPERATIONAL COST.
